

"The Inevitable Awakening"

With David Hoffmeister & the Messengers of Peace

'The word "Inevitable" is fearful to the ego, but joyous to the spirit' - ACIM

Saturday March 20 – Tuesday, March 30, 2010, Minimbah Farm, Kangaroo Valley, NSW, Australia.

Accompany us for a true joining of a lifetime in the pristine surroundings of Kangaroo Valley. This is the longest 'inner-focused' gathering ever to be held by David in Australia. It is intended that this retreat, 'The Inevitable Awakening', will provide an exceptional environment of love, peace, joy, and support, where you may be helped and guided to return to 'that place' in you - The inevitable awareness of the truth about what you have always been! The stage is set! You are now invited, with love, to answer the call and join with us.

THE GATHERING: Join with David Hoffmeister and the Messengers of Peace, a family of gentle and loving spiritual guides and teachers of self realisation via 'A Course in Miracles' principles. There is the flexibility of three gathering formats - 3, 9 or 11 days to suit your availability and budget. The main structure of the content is based on 9 days with an additional two days, totaling 11, which will help serve the purpose of coming down gently from the main gathering and devoting the remainder to silence and listening to the voice of truth within. For more information on David and the Messengers go to: www.awakening-mind.org

THE SETTING: Minimbah Farm is 150 acres of 'Heaven On Earth' paradise in beautiful Kangaroo Valley. Although 'content' is the focus of the retreat, the surrounding landscape ('the form') will help to provide an atmosphere of solitude, peace and readiness. 'The Valley' is just two hours drive south of Sydney, surrounded by national park and just 30 minutes to beaches and 40 minutes to the Southern Highlands.

DAILY FORMAT: Every day will be filled with opportunities for insight, release and realisation. Included are talks with David, small group sessions with the messengers, movie clip sessions, experiential sessions, singing, one-on-ones, free reign over the 150 acre farm surrounded in nature as well as group activities such as bush walks, canoeing (optional) and beach trips etc. In short, the setting and format will provide abundant opportunities for practical application leading towards the 'universal experience' of ever present unconditional love.

ACCOMMODATION: Most of the participants will stay at the gathering venue, Minimbah Farm. You can either camp, caravan or stay in a comfortable room in one of the lovely Minimbah Farm Cottages.
