

Beloved One,

Greetings of Love. Our friend Frances Allan recently purchased a house in Fruitland, Utah and dedicated its use in support of our global ministry and our ministry in Utah. One of the most Helpful aspects of the house is the high speed DSL Internet service that our friend Jason Press set up, since there is a limit on the daily usage and speed with our Internet service at the monastery. The Bandanna Ranch Lighthouse is located about 22 miles northwest of the Living Miracles Monastery, and it will serve as an office for Living Church Ministries and the Foundation for the Awakening Mind as we continue the process of relocating our bases of operation to Utah. Volunteers have been attending to the house and making it ready for full-time use next month. Frances and Lisa and Dwayne and Chris and Greg and Kris and Jenny and JP and Anna Carol and Kerri have all had a hand in the purchase and preparations and improvements necessary for the house to be used in our shared Purpose of Awakening through forgiveness.

A 28-foot trailer has been purchased with a donation from Kerri and has been parked to the side of the house, and this provides additional living and office space for the use of the messengers and volunteers that serve at this location. Postal runs to mail out materials and resources, the building of the MMT program, communications, multi-location video conferencing, Skype calls and conference calls are all in the plans for the Bandanna Lighthouse as we complete our move to Utah this Summer. Chris is leading the team attending to the house to make it fully functional. This coming week our friend Melissa is coming out to the house to join in the volunteering projects. Chris and Greg are working on the front deck and awning, and the desks that Devan built will be stained for use in the office. Anna Carol is moving forward with the purchase and set up of a washer/dryer set for the house. It has been one miracle after another...

Thanks to everyone who has participated in this Lighthouse project. I had received the Guidance from the Holy Spirit that everything about the house and the move from Cincinnati would be accomplished swiftly, and I have enjoyed all the miracles around this project.

In Love & Gratitude,

David
